Mobility 2040 Metropolitan Transportation Plan (MTP) Amendment

Amendment 1 Summary:

The City of Killeen was awarded Transportation Alternatives Program (TAP) funds through TxDOT for Segment 4 of the Heritage Oaks Hike & Bike Trail. With this segment of the hike & bike trail, the City of Killeen is proposing 1.5 miles of a multi-use lighted trail connecting the residential KISD Elementary School location south to the US Army Corps of Engineers property in Bell County. The construction of the trail will dictate a total width of 16 to 18 feet of shared use path. All trail connections will be constructed of concrete with several low water crossings and neighborhood connections along with appropriate pedestrian ramps, striping, signage and street crossings. This project has been assigned KTMPO ID K40-21. KTMPO is requesting a 2040 MTP amendment to add project KTMPO ID K40-21 to the 2040 MTP.

The public involvement process for an MTP amendment includes a 15 day public comment period and a public hearing. A tentative schedule is outlined below.

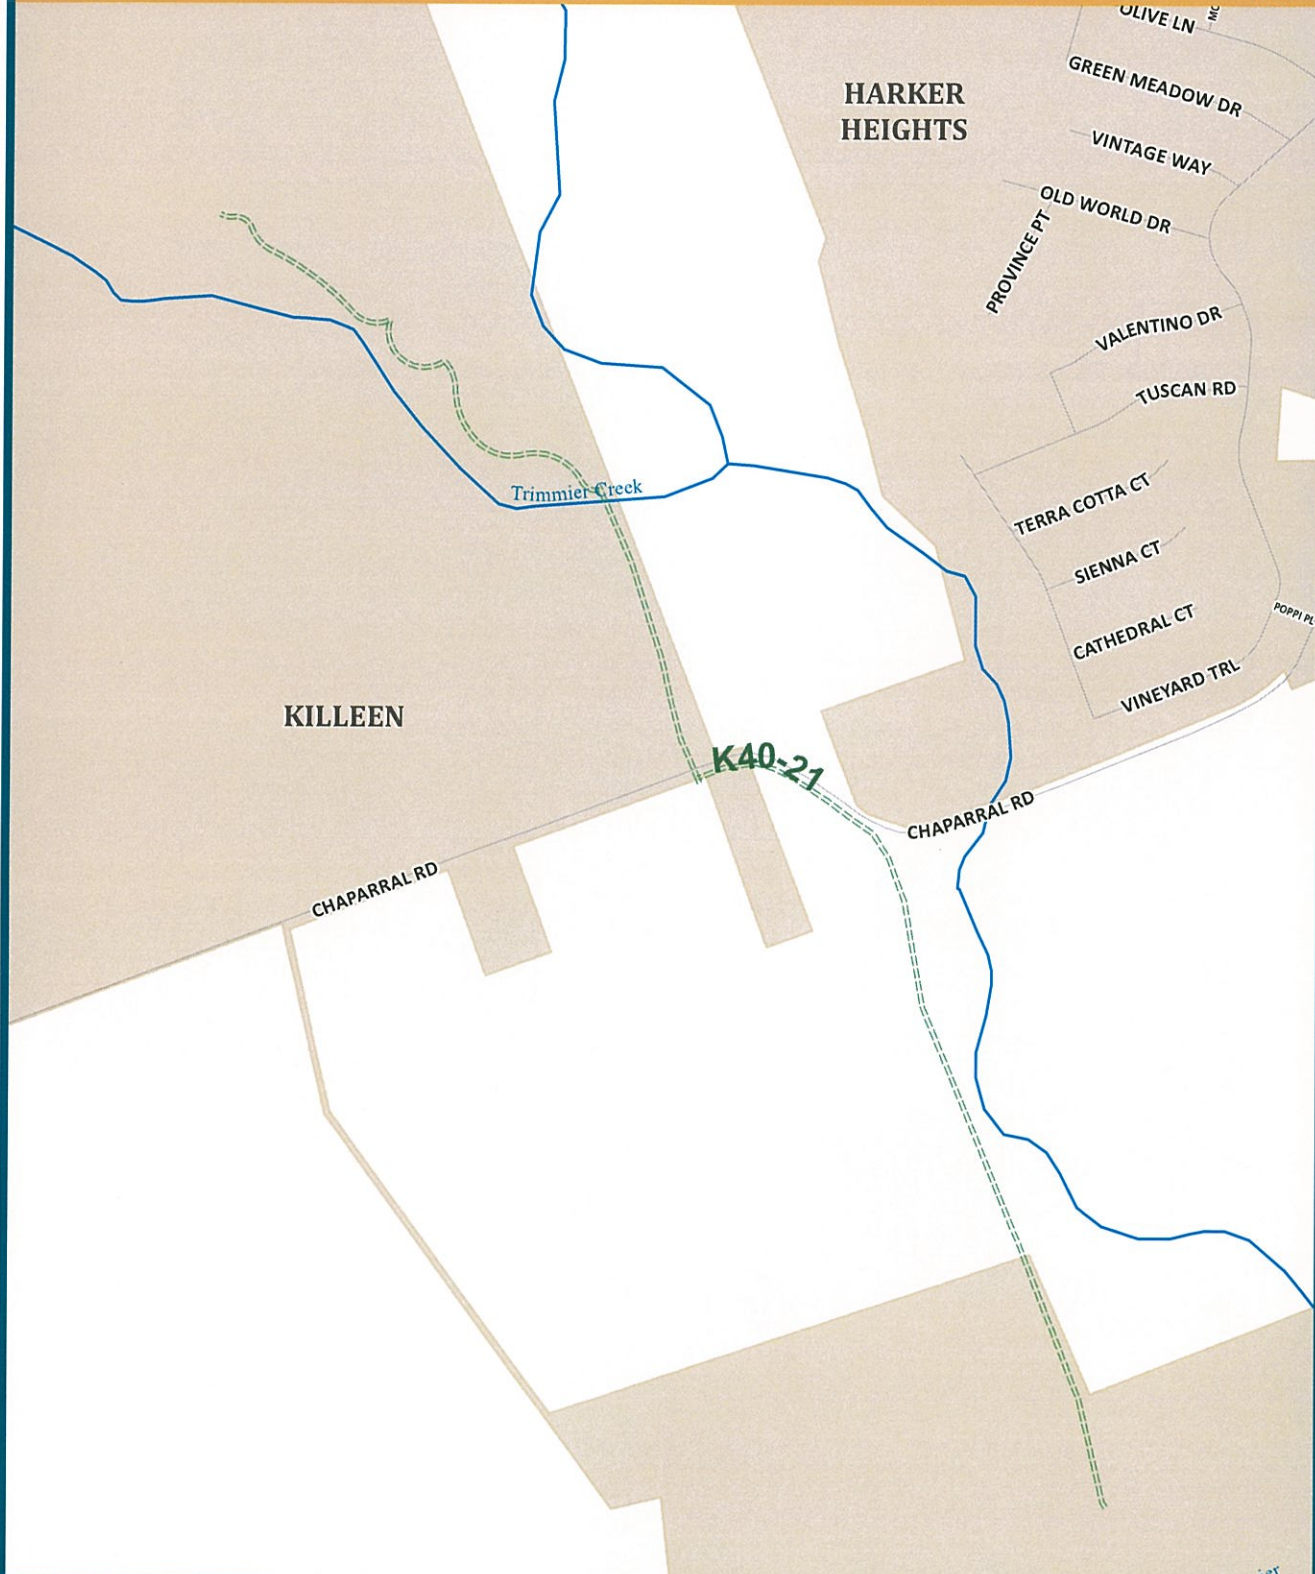

Background:

The MTP is the 25 year long range planning document for KTMPO. The MTP includes a short and long-range prioritized project listing incorporating projects expected to be funded within the document's 25 year planning horizon. The project listing is fiscally constrained based on projected funding the MPO expects to receive in the 25 year planning period. The document also lists regionally significant unfunded projects. Projects must be included in the funded section of the MTP in order to receive state or federal funding.

Tentative Schedule:

- **October 24-November 7, 2015 – Public Comment Period**
- November 4, 2015—TAC recommendation to approve MTP amendment(s)
- November 18, 2015—TPPB approval of MTP amendment(s).
