Active Transportation Advisory Committee Meeting

May 14, 2025
9:30 a.m.

This page is intentionally left blank.

Agenda

Killeen-Temple Metropolitan Planning Organization
Active Transportation Advisory Committee
Wednesday, May 14, 2025

Central Texas Council of Governments Building
2180 North Main Street, Belton, Texas 76513

Regular Meeting: 9:30 A.M.

Virtual Link: KTMPO ATAC Meeting

Call in Number: +1 (872) 240-3212
Access Code: 756-809-085

AGENDA

1. Call to Order.
2. Opportunity for Public Comment.
3. **Action Item**: Regarding approval of minutes from February 12, 2024, meeting. (pgs.7-12) [Presenter: Geary McCabe, Chair]
4. **Discussion and Action Item**: Regarding new ATAC membership requests. (pgs. 13-15) [Presenter: Geary McCabe, Sun Country Cycling, Chair]
5. **Discussion and Action Item**: Regarding recommendation for approval of Resolution 2025-09 Proclaiming National Trails Day and authorizing the addition of supportive activities. (pgs. 17-18) [Presenter: Anita Janke, KTMPO]
6. **Discussion Item and Action:** Scheduling a Workshop to Prioritize the Connectivity Layer in the Regional Active Transportation Plan Based on Public Comments (pgs. 19-21) [Presenter: Anita Janke, KTMPO]
7. **Discussion Item:** Regarding CTCOG & KTMPO's SS4A Central Texas Roadway Safety Action Plan. (pgs. 23-24) [Presenter: Jason Deckman, City of Temple]
8. **Discussion Item:** Member Updates on Upcoming Organizational Activities and Requests for ATAC Support (pgs.25-26) [Presenter: Geary McCabe, Sun Country Cycling, Chair]
9. **Discussion Item:** Regarding public input received through April 2025. (pgs. 27-31) [Presenter: Anita Janke, KTMPO]
10. **Staff Update:** (pgs. 33-35) [Presenter: Anita Janke, KTMPO]
    a) Grants and Webinars;
    b) Other Updates;
    c) Air Quality.

The Killeen-Temple Metropolitan Planning Organization is committed to compliance with the Americans with Disabilities Act (ADA). Reasonable accommodations and equal opportunity for effective communications will be provided upon request. Please contact the KTMPO office at 254-770-2200 24 hours in advance if accommodation is needed. Citizens who desire to address the Board on any matter may sign up to do so prior to this meeting. Public comments will be received during this portion of the meeting. Comments are limited to 3 minutes maximum. No discussion or final action will be taken by the Board.

11. Member comments. [Presenter: Geary McCabe, Chair]
12. Adjourn.

Workshop - To Follow Regular Scheduled Meeting (If Needed)
AGENDA

1. Call to order.
2. Discussion on any KTMPO items (No action will be taken on items discussed).
3. Adjourn.

The Killeen-Temple Metropolitan Planning Organization is committed to compliance with the Americans with Disabilities Act (ADA). Meeting Minutes:

1. Call to Order: Geary McCabe called the meeting to order at 9:30 am.

2. Opportunity for Public Comment: Several members of the public addressed the Active Transportation Advisory Committee regarding a December pedestrian incident involving a fatality and a serious injury. Speakers expressed deep concern over pedestrian safety and the urgent need for improved traffic calming measures in high-risk areas.

Rodney and Sharon Coleman spoke about the emotional and community impact of the incident, emphasizing that Mrs. Avery, who lost her life was a valued member of the community.

Mrs. Lynda Contruci urged ATAC to take immediate action to review current road safety policies and invest in infrastructure that prioritizes pedestrian protection.

Jason Deckman, a City of Temple Principal Planner City Planner, acknowledged the tragic loss and extended sincere condolences to the victim's family, the injured individual, and the wider community. Mr. Deckman also proposed initiating a conversation with the funeral home where the incident occurred to explore potential short-term safety enhancements in the immediate area.

3. Action Item: Regarding approval of minutes from the December 11, 2024 meeting.

Joe Dyer made a motion to approve the December 11, 2024, meeting minutes, seconded by Keller Matthews; the motion passed unanimously.

4. Discussion and Action Item: Regarding new ATAC membership appointments and requests.

The City of Harker Heights appointed Amy Atkins, Director of Parks and Recreation.

TxDOT appointed Racheal Perry, Special Projects Coordinator, with the Waco District.

KD Hill, business owner of Barrow Brewing with an interest in running events; and Holly Owens, the Director of Planning and Secretary for the City of Gatesville with an interest in economic development, requested membership.

Jason Deckman made a motion to approve their membership requests, seconded by Joe Dyer; the motion passed unanimously.

5. Discussion and Action Item: Regarding 2025 Activity Schedule for Stakeholder Engagement.

Anita Janke presented the 2025 Activity Schedule highlighting May as National Bike Month, June 7, 2025, as National Trails Day, and October as National Pedestrian Safety Month. Ms. Janke encouraged members to host an activity in May, June, and/or October to support ongoing engagement and programming efforts.

The City of Nolanville committed to hosting The Ride of Silence on Wednesday, May 21, 2025.

Keller Matthews and KD Hill explored potential ideas for hosting events in celebration of National Trails Day, focusing on ways to engage the community and highlight local trail resources; however, no commitments were made.

Jason Deckman made a motion to approve the 2025 Activity Schedule for Stakeholder Engagement, seconded by Joe Dyer; the motion passed unanimously.

6. Discussion Item: Regarding KTMPO's FY2025 Safety (PM1) Performance Targets.

Geary McCabe directed the members to the Bike and Ped Fatalities and Serious Injuries graph pointing out that the trend line has gone up and down, but for 2023, there were 44. Mr. McCabe spoke about funding scenarios that could help connect trails to bike paths, building a multi-use path and emphasized pedestrian travel safety. He also emphasized the importance of member involvement.

Jason Deckman emphasized the importance of funding projects that support these objectives that improve safety and reduce traffic deaths and serious injuries. Mr. Deckman concluded by stating that project decisions must be data-driven—not based on anecdotal evidence. He recommended including both pre- and post-project data reviews in the Call for Projects' subjective scoring to help answer the key question: 'Did the project achieve what we intended?'

Keller Matthews recommended that ATAC review every pedestrian and bicycle fatality—either through formal discussion at meetings or by ensuring the data is available for members to review independently. Mr. Matthews supported Mr. Deckman's approach to pre-and post- project data reviews. KD Hill asked if there was a map to show the fatality hotspots. James McGill directed members to the KTMPO Crash Records Information System (CRIS) Data Dashboard.

7. Discussion Item: Regarding the Active Transportation Master Plan.

Geary McCabe emphasized the important role that developing the Regional Active Transportation Plan plays in improving funding opportunities. Anita Janke reviewed the

timeline and Staff provided an overview of four MPOs and their approaches to active transportation planning: Laredo & Webb County MPO, Mid-Ohio Regional Planning Commission, Rio Grande Valley MPO, and the Central Arkansas Regional Transportation Study. James McGill highlighted the executive summary titled *"Why We Need Active Transportation"* from the Laredo & Webb County MPO - which resonated strongly with the public. Their outreach efforts included engagement at community parks and recreation centers. Sam Aghai reported on the Mid-Ohio Regional Planning Commission emphasizing the significance of short trips, noting that over one-third of all trips in their MPO area are less than three miles in length—an important opportunity for increasing walking and biking. David Lopez outlined the Rio Grande Valley MPO focused on promoting active transportation to enhance public health, support local economies through job creation, and improve both mental and physical well-being, while also addressing transportation system safety. Keller Matthews expressed interest in how the MPO was measuring mental and physical well-being; however, Mr. Lopez mentioned that measuring outcomes was not addressed in the plan. Finally, Kendra Coufal showcased the Central Arkansas Regional Transportation Study, which featured a Route Selection Trade-Offs Matrix as a decision-making tool, evaluating factors such as comfort, accessibility to destinations, population density, feasibility, and overall user experience. Ms. Coufal mentioned that the plan also called out the amenities beyond the active transportation. Mr. Matthews asked whether the absence of an Active Transportation Plan would result in project delay linking the concerns back to the fatalities that the committee was briefed on earlier. Ms. Janke reviewed the process for community engagement.

8. Discussion Item: Regarding review of livability projects from the 2023 Project Call.

James McGill described the process of obtaining project updates as challenging, noting that it is not due to any individual's fault. Since the MPO is responsible for allocating funding—not overseeing construction, this creates a gap that has been recognized. To address it, staff are researching project tracking software to improve transparency and communication. Both Mr. McGill and Geary McCabe revisited the trails page on the website and noted that the project had stalled due to complexities that were not initially anticipated. Mr. McGill concluded the discussion by emphasizing that project tracking is a priority for the Policy Board. While TxDOT does provide updates, a long-term solution is still in development. Keller Matthews asked about the trails app. that was discussed several years ago – Mr. McGill said the app did not work out because the cost was prohibitive and the labor-intensive nature of implementation, which resulted in a lack of return on investment. Mr. McCabe encouraged all ATAC members to complete the 2050 TAC Scoring Assessment so their input would be included in the decision-making process. Mr. Deckman clarified conversation points by reminding members that we don't set policy – but we can influence it by scoring projects. During the last call for projects – only two BPAC members scored projects. He emphasized when the next call for projects is open, all ATAC members should score the projects.

9. Discussion Item: Regarding public input received through January 2025.
Anita Janke shared public comments received via email, the MPO website, social media, and public engagement events. She highlighted two specific comments: one regarding ADA requirements and another concerning a recent pedestrian fatality and serious injury.

10. Staff Update:
Anita Janke provided an update on the schedule for the upcoming TxDOT Active Transportation Advisory Committee meetings and the KTMPO upcoming meetings. Keller Matthews asked the status of federal funding, James McGill mentioned the upcoming May transportation bill, noting that active transportation may not be a current federal priority, but funding outlooks are still uncertain. Mr. McGill shared the maximum ozone air quality readings for January, which were 58 parts per billion (ppb) at the Temple station and 62 ppb at the Killeen station.

11. Member Comments:
James Wickham with HCTD reported that 0.08% of riders used the bicycle rack during October, November, and December.

Adjourn: The meeting was adjourned at 11:18 am.

These meeting minutes were approved by the ATAC members at their meeting on

Item #4

New ATAC Membership Requests

New Membership Requests

Background

According to the ATAC bylaws, ATAC shall be comprised of governmental agency staff, non-governmental organizations and citizens in the KTMPO region who express an interest in active transportation. According to the ATAC Bylaws, the nomination process for membership will be as follows:

- Municipal and county representatives will be appointed in writing by the mayor, judge, or their designated representative.

- Organizations or individuals wishing to secure a voting position on the ATAC may submit a written request to the chairperson or KTMPO staff, outlining the individual they propose to represent their organization's transportation interests, what that interest is, and their potential contribution. The ATAC members will review each nomination and make a recommendation to the TPPB for approval.

Lauren Morrell has formally requested to be considered for a voting member position on ATAC as a representative of Youth Interest. Although she resides in Gatesville, she maintains strong and active with connections in the Belton, Temple, and Killeen communities. Ms. Morrell is actively engaged with Belton New Tech High School and is a dedicated cyclist, demonstrating a clear commitment to regional mobility and youth advocacy. Her involvement in local initiatives and transportation-related activities supports her candidacy as a valuable voice for youth perspectives on the committee.

Action Needed: Consider approval of new ATAC appointments and/or memberships requests.

From: Lauren Morrell <laurenmorrell84@gmail.com>

To: Anita Janke <anita.janke@ctcog.org>
Subject: Re: ATAC Membership

Good Afternoon Anita,

Please see my request to be considered for the ATAC. I will not be able to make the next meeting in person. I might be able to attend virtually but I'm not sure at this time. I should be good for the subsequent meetings. Thank you for all your help.

Good Afternoon ATAC,

I request consideration as a voting member in the ATAC as the Youth Advocate. I am the mother of two active children, ages 7 and 9. Although we live in Gatesville, I have ties in the Belton/Temple/Killeen area through my husband and son's mountain biking as well as through the Army. I am currently the Adopt-A-School liaison to Belton New Tech High School and have supported them over the last two years. During this time, they have held the Zombie Run as a school fundraiser in Confederate Park.

Additionally, I am a member of the Gatesville Exchange Club, which holds the Fire Ant Tour, benefiting all bike enthusiasts in the surrounding area.

My goal of being on this committee is two-fold: to help bridge the gap in jurisdictional collaboration and be an advocate for youth-centered biking and recreation projects.

Thank you for your consideration.

Sincerely,

Lauren Morrell

Item #5

National Trails Day

National Trails Day

Background

National Trails Day, celebrated on the first Saturday in June, was established in 1991 by the American Hiking Society to promote trail use, volunteerism, and appreciation for the National Trails System. It builds on a legacy that began with the National Trails System Act of 1968 and continued with federal efforts to support outdoor recreation, culminating in the first nationwide celebration on June 5, 1993. Since its inception, hundreds of organizations have participated, and we're excited to include this activity in ATAC's schedule of events in support of our regional trails.

National Trails Day in 2025 is on Saturday, June 7th.

Time	Event Sponsor	Activity
7:00 AM	Sun Country Cycling	Beginner Mountain Bike Ride at Dana Peak
8:00 AM	Tablerock Amphitheater	Trail Cleanup at Salado Tablerock Amphitheater Trails
6:00 PM	Barrow Brewing	Paddle Board on Salado Creek

Included in the meeting packet is a Resolution supporting National Trails Day. KTMPO encourages area cities to also support and promote National Trails Day as deemed appropriate in accordance with city and county orders.

Action Needed: Consider recommending approval of Resolution 2025-09 recognizing June 7, 2025, as National Trails Day.

Item #6

Active Transportation Plan Workshop

Active Transportation Plan Workshop

Background

KTMPO adopted the Regional Multimodal Plan (RMP) on September 20, 2018. The plan explored ways to adapt to evolving transportation modes by shifting the focus to a broader approach that included biking, walking, and public transit.

In 2020, The Texas Department of Transportation (TxDOT) began the Texas Active Transportation Plan Inventory. In the Fall of 2023, TxDOT conducted a combined outreach effort for the Statewide Active Transportation Plan and the Statewide Multimodal Transit Plan. The Existing State of Active Transportation Report was made available in February 2025.

During the September 11, 2024, BPAC meeting, KTMPO staff recommended developing a Regional Active Transportation Plan that identifies opportunities for multi-jurisdictional trail connections and to promote innovative strategies that support walking, cycling, and other forms of active transportation. The plan will focus on integrating safe routes to school, sidewalks, bike paths, transit stops, parks, and shared-use paths across the region.

Objective

- Develop a comprehensive GIS-based inventory to support the creation of a Regional Active Transportation Plan, identifying existing infrastructure, gaps, and opportunities for walking, biking, and rolling (micromobility).
- Utilize public engagement, TAC/PB and ATAC to prioritize desired connectivity in the development of the regional Active Transportation Plan.
- The plan demonstrates planning readiness, improves grant competitiveness, will help prioritize projects and encourages multimodal integration.

Regional Active Transportation Plan Update Schedule

Dates	Task
December 12, 2024 – October 15, 2025	Staff Research
May 1 – 9, 2025	Develop Table of Contents
May 1- June 13, 2025	Data Collection – Existing Infrastructure (Map Layering - roads, parks, sidewalks, bike lanes, transit stops, crash data & waterways)
May 14, 2025	ATAC Mtg Update
May 20 – September 1, 2025	Develop Chapter Content & Begin Writing
June 23 – July 21, 2025	Public Comment Period – Inventory Map Layers
July 2 & 16, 2025	TAC/PB Review – Draft Chapters & Connectivity Layer
July 21, 2025	ATAC Workgroup to Prioritize Connectivity Layer from Public Comments
July 23 – September 1, 2025	Develop Connectivity Layer Based on Stakeholder & ATAC Prioritization
August 13, 2025	ATAC Mtg Update
September 3 & 17, 2025	Final Review
September 15-29, 2025	Final Public Comment Period
October 1 & 15, 2025	TAC/PB Recommend Plan Adoption

Action Needed: Set a date and time for the ATAC Workshop to prioritize connectivity layer compiled from public feedback.

This page is intentionally left blank.

Item #7

Safety

SS4A Taskforce

Background

As requested by ATAC, bicycle and pedestrian fatalities in the region will now be included as a standing item on the agenda. Updates will be provided through ongoing data and reporting from the Safe Streets and Roads for All (SS4A) Taskforce. This item is intended to support informed discussions on safety initiatives and policy recommendations aimed at reducing traffic-related fatalities among vulnerable road users.

CTCOG & KTMPO's SS4A Central Texas Roadway Safety Action Plan contains a list of recommended Implementation Activities, one of which is the development of a Safety Taskforce to focus on implementing projects and policies, and finding new ways to champion road safety in Central Texas. The Safety Taskforce will meet no more than quarterly throughout the year.

Potential task force meeting activities may include:

- Fatality reviews to identify trends in fatal crashes within the region and discuss potential solutions to recurring themes
- As-needed updates from CTCOG staff regarding updates to federal guidance, regulations, and grant opportunities related to roadway safety
- Tracking progress against safety goals
- Sharing experience from task force members regarding successful safety grant applications and implementation of projects
- Other activities potentially TBD as part of future task force meetings

The date for the first Safety Taskforce meeting is TBD.

Action Needed: No action needed; for discussion only.

Item #8

Summer Activities and Events

Supporting Member Activities

Background

As the spring and summer months bring longer days and warmer weather, outdoor activity across the region is on the rise. This seasonal shift provides a valuable opportunity to highlight and support the work of ATAC members who are actively involved in promoting community wellness through organized runs, bike races, and recreational events. These events not only encourage active transportation and healthy lifestyles but also serve as platforms to engage the public in meaningful conversations about mobility, safety, and accessibility.

The committee recognizes and appreciates the efforts of members who lead and host these events, as they directly contribute to ATAC's mission by fostering community connections and raising awareness of active transportation goals. Continued support for these initiatives—through participation, promotion, and alignment with planning efforts—helps strengthen the impact of ATAC's work across the region.

Action Needed: No action needed; for discussion only.

Item #9

Public Input

Public Input Received through Previous Month

KTMPO has been collecting public comments received online, via emails, public meetings, workshops, community activities, social media platforms, web maps and other forms of communication. Staff bring these to the TAC and TPPB on a regular basis to ensure the MPO boards are aware of public concerns and have the opportunity to respond accordingly. Public input received through the previous month is included in the meeting packet.

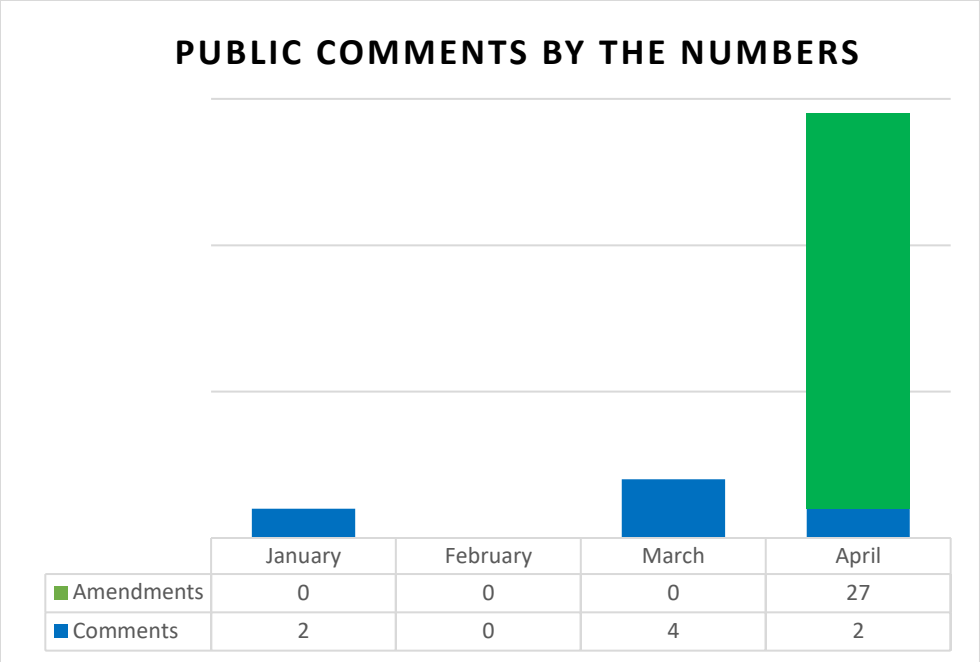

Action Needed: No action needed; for discussion only.

Public Comments 2025						
Date Received	**Source**	**Topic**	**Jurisdiction**	**Comment**	**KTMPO Response**	**Name**
4/26/2025	Email	Other	Housing	Adjunto carta para ver cómo puedo obtener prioridad para pago de renta efectivo 7. 1. 25 renta a pagar 1, 049 00 por favor necesito ayuda para pagar renta ya que mi cheque de seguro social, no me rinde ni para hacer compra mi prioridad es pagar la renta .pido su ayuda para que pueda cualificar lo antes posible .	Staff provided CTCOG housing assistance website link with a copy of the page using the Spanish option on the webpage. Staff forwarded information to CTCOG housing.	Magdalia Rodriguez Torres
4/6/2025	Public Comment Form	Public Transit	HCTD	Trying to get transportation to work	Staff was unable to make contact with citizen, as the phone number was not accepting phone calls from CTCOG's telephone number. Staff shared information with HCTD.	Clayton Bowman

Public engagement includes three streams of responses: participation in community activities; public comments received via online platforms, email, telephone, or U.S. Mail (blue); and feedback/survey responses gathered through amendments (green).

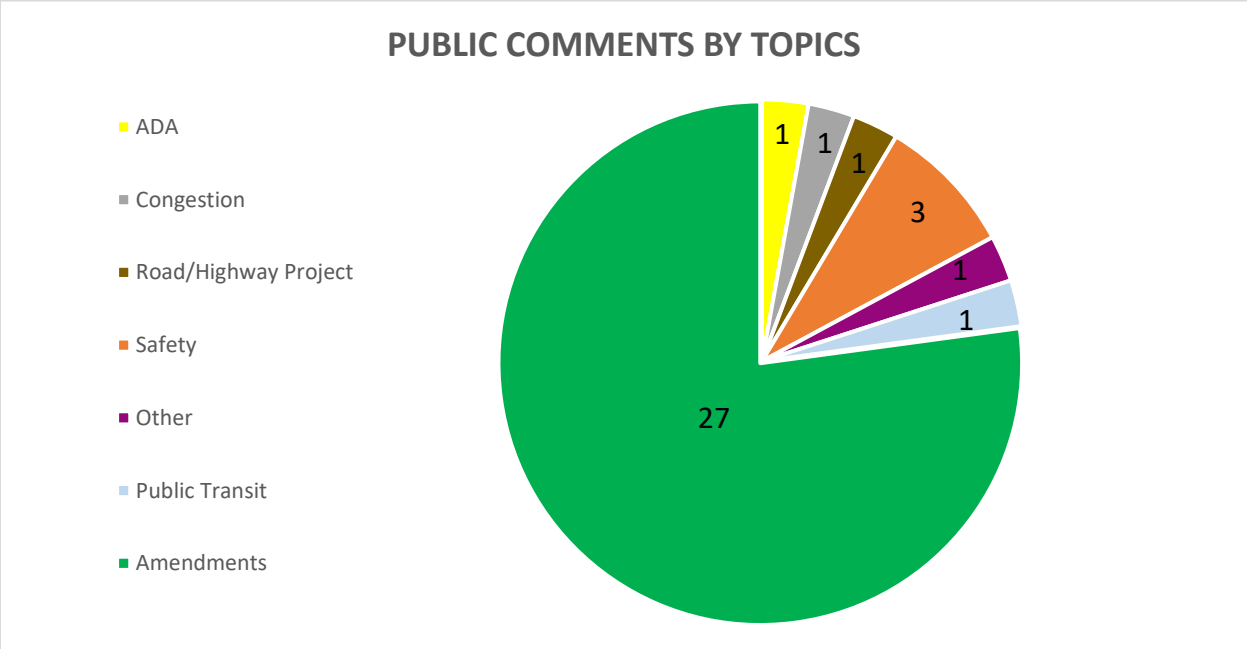

Public comments received between January 1 and April 30, 2025, are summarized in Graphs 1, 2, and 3 for easy reference.

Graph 1

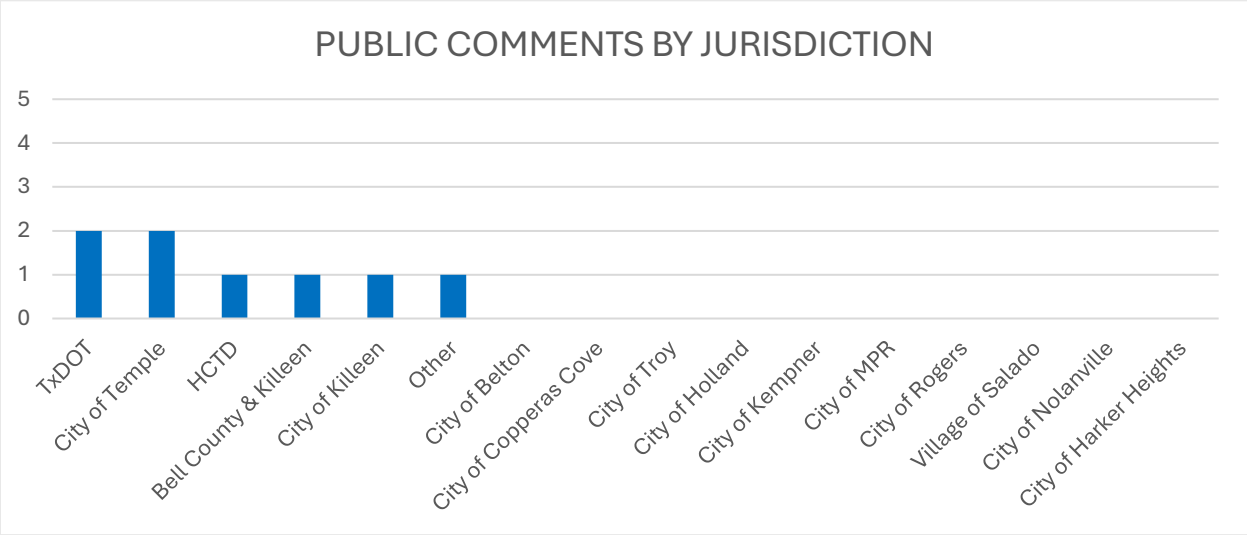

Graph 2 provides a summary of public comments, organized by topic.

Graph 2

Graph 3 identifies public comments by jurisdiction; amendments are not included in this graph. “Other” refers to comments that were submitted but do not fall within the KTMPO jurisdiction; however, they are still included in the Public Comment Summary Log.

Graph 3

Item #10

Staff Update

Staff Update

a) Grants and Webinars:

The Local Parks Grant Program through the Texas Parks and Wildlife Department is now accepting applications to assist local communities with the acquisition and/or development of public recreation areas and facilities throughout the State of Texas.

- Applications open through 5pm on August 1, 2025
- Eligible applicants include political subdivisions of the State of Texas legally responsible for providing public recreation services to their citizens. This includes cities, counties, river authorities, municipal utility districts, and most other special districts.

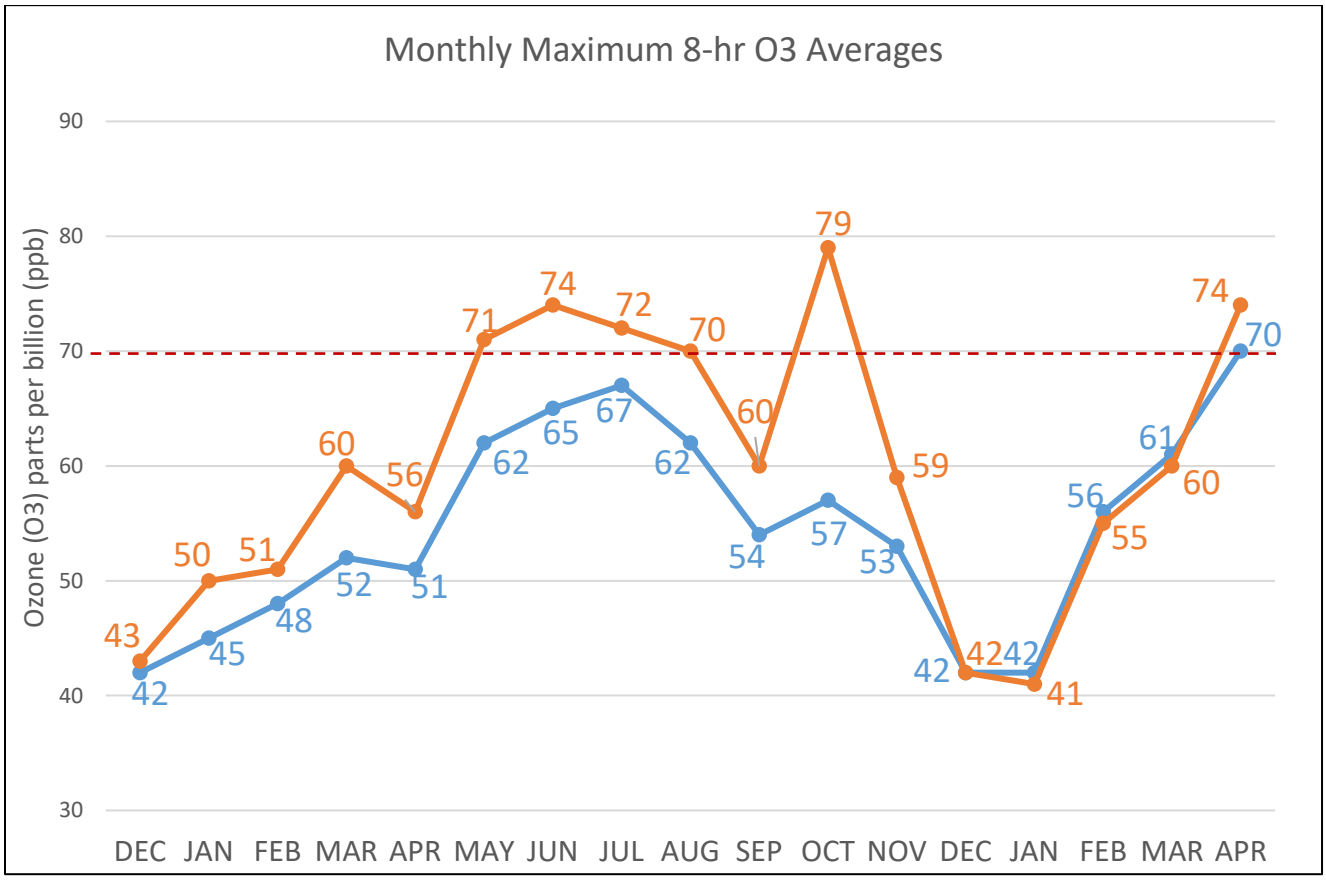

b) Other Updates:

Review of the Scoring Criteria Survey results along with staff recommendations.

Meeting Schedule

- August 13, 2025
- November 12, 2025

c) Air Quality

Compliance with EPA Ozone Standard: 4th Highest Annual Value				3-year average (Calculated on May 2, 2025)
