Meeting Minutes:

- 1. Call to Order:** James McGill called the meeting to order at 9:34am.
- 2. Opportunity for Public Comment:** No comments were made by the public.
- 3. Action Item:** Approve minutes from the May 1, 2024, meeting.

Jason Deckman made a motion to approve the May 1, 2024, meeting minutes, seconded by Bobby Lewis; the motion passed unanimously.

4. Discussion and Action Item: Regarding a change to the September TAC meeting date.

James McGill informed the TAC there is a TxDOT conference that staff will be attending during the previously scheduled TAC meeting on September 4, 2024. Mr. McGill proposed that the TPPB approve moving the TAC meeting to the following week on September 11, 2024.

Darrell Burtner made a motion to recommend approval of the change to the September TAC meeting date to September 11, 2024, seconded by Bryan Neaves; the motion passed unanimously.

5. Discussion and Action Item: Regarding recommending approval of the 2050 Metropolitan Transportation Plan (MTP).

James McGill updated the TAC on the 2050 MTP development process. Mr. McGill informed the TAC the Public Comment Period will close the following week. Anita Janke gave an in-depth report on public engagement efforts for the plan, and the three Public Meetings that were held. Ms. Janke also noted staff collected comments and survey responses from citizens while riding on the HOP. Mr. McGill explained that the Public Comment Summary will be available to the public once the Public Comment Period has concluded and will contain all the comments received by KTMPO.

Jason Deckman made a motion to recommend approval of the 2050 MTP, seconded by Kristina Ramirez; the motion passed unanimously.

6. Discussion and Action Item: Regarding recommending approval of the 2050 Metropolitan Transportation Plan (MTP) Project Listing.

James McGill provided an update on the 2050 MTP listing, explaining that the project listing is also included within the MTP. However, staff included the approval of the 2050 MTP listing as a separate item, as the MTP Project Listing involved funding. Callie Tullos provided further explanation on the development of the MTP Project Listing. Mr. McGill explained that the 2050 MTP Listing is fiscally constrained and that the projects selected for funding in the FY25-28 TIP are included in the listing.

Bob van Til made a motion to recommend approval of the 2050 MTP Project Listing, seconded by Jason Deckman; the motion passed unanimously.

7. Discussion Item: Regarding direction for Phase 2 of the Texas National Electric Vehicle Infrastructure (NEVI) Plan implementation in the KTMPO region.

James McGill updated the TAC of the NEVI Plan implementation process. Mr. McGill explained that staff recently met with TxDOT regarding Phase 2 of the NEVI Plan implementation which requires MPO coordination for study area and charger power levels. Mr. McGill presented the two study area options: 1) entire MPO Boundary or 2) specific

area/corridors inside the MPO boundary and two charger power level options: 1) Direct Current (DC) Fast Charge or 2) Level II Chargers. Mr. McGill explained that staff's recommendation is to select the entire MPO boundary for the study area and the DC Fast Chargers for power level. Mr. McGill fielded questions from the TAC regarding the difference between the two power level options and the study area options.

Jason Deckman made a motion to approve the entire MPO boundary as the study area and the DC Fast Chargers for power level, seconded by Kristina Ramirez; the motion passed unanimously.

8. Discussion Item: Regarding an update on the Safe Streets & Roads for All (SS4A) Grant.

James McGill provided an update on the SS4A Grant. Anita Janke provided an update on the Public Engagement regarding the SS4A Grant, noting the number of visits to the SS4A website, surveys received, and comments on the SS4A interactive map. Mr. McGill also updated the TAC on the field visits for selected HSIP projects and reminded the TAC of an upcoming revision to the SS4A project list.

9. Discussion Item: Regarding TxDOT updates on major construction projects in the KTMPO area.

Michael Yates provided an update on major construction projects in the KTMPO area and fielded questions from the TAC.

10. Discussion Item: Regarding public input received through June 2024.

Jame McGill provided an update on the public input received through June 2024. Anita Janke noted that the comments received were addressed and sent to the appropriate jurisdiction.

11. Director's Update:

James McGill provided the schedule for the upcoming KTMPO meetings. Mr. McGill informed the TAC that KTMPO received the Texas Veteran's Commission Grant. The maximum ozone air quality readings for the month of June were 65 parts per billion (ppb) at the Temple station and 74 ppb at the Killeen station.

12. Member Comments: No Comments.

13. Adjourn: The meeting adjourned at 10:10am.

These meeting minutes were approved by TAC at their meeting on _____.

CY2025 KTMPO TAC and Policy Board Meeting Schedule

KTMP TAC and Policy Board Meeting Schedule for CY2025

Included in the meeting packet is a proposed meeting schedule for CY2025.

- TAC typically meets on the 1st Wednesdays of the month
 - January was moved back a week due to New Years Day.
- Policy Board typically meets on the 3rd Wednesdays of the month.
 - September Policy Board will need to move up a week or back a week due to the 2025 AMPO Annual Conference.
- If state or national meetings require meeting dates to shift, staff will request the Policy Board to change the schedule.
- Staff is proposing not holding meetings in August and December, as these months typically have light agendas and coincide with many people traveling for vacations or holidays.

Item #5

**Resolution 2024-07 adopting CTCOG's
Title VI Plan**

Resolution 2024-07 Title VI Adoption

Background

Recipients of federal funding are required to adopt a Title VI Plan. The purpose of the plan is to ensure the entity's programs, policies, and activities comply with various nondiscrimination laws and regulations to include Title VI of the Civil Rights Act of 1964. This federal law protects individuals, groups, and organizations from discrimination on the basis of race, color or national origin in federally assisted programs and activities. Since other nondiscrimination authorities have expanded the scope and range of Title VI application and reach (i.e. religion, sex, disability, age), reference to Title VI includes other provisions of federal statutes and related authorities to the extent that they prohibit discrimination in programs and activities receiving federal financial assistance.

History

KTMPO adopted a Title VI Plan in September 2014, and again in March 2018. This plan is to be updated every 3 years. The plan includes a nondiscrimination policy statement, identifies a Title VI Coordinator, provides a discrimination complaint form, and outlines remedial action.

Staff Recommendation

CTCOG adopted a Title VI Plan on July 25, 2024. As KTMPO's fiscal agency, the processes and individuals referenced in the CTCOG Title VI Plan would be duplicated in a KTMPO specific plan. Given this, staff are recommending that KTMPO adopt CTCOG's Title VI Plan for the MPO.

Resolution 2024-07 supporting adoption of CTCOG's Title VI Plan and a copy of the CTCOG Title VI Plan are included in the meeting packet.

Action Needed: Consider recommending approval of Resolution 2024-07 Title VI adopting CTCOG's Title VI Plan.

RESOLUTION NO. 2024-07

A RESOLUTION OF THE KILLEEN-TEMPLE METROPOLITAN PLANNING ORGANIZATION REGARDING THE 2024 TITLE VI PLAN

WHEREAS; the Killeen-Temple Metropolitan Planning Organization (KTMP) is the designated MPO for the Killeen-Temple Metropolitan Area with responsibilities to perform regional transportation planning and programming, in cooperation with the Texas Department of Transportation (TxDOT); and

WHEREAS; Title VI of the Civil Rights Act of 1964 and U.S. Department of Transportation (USDOT) regulations (49 CFR, Part 21) require all recipients and sub-recipients of Federal transportation funds, such as the Killeen-Temple MPO, to establish and maintain a Title VI Program that carries out the regulations and integrates the activities and considerations outlined in the USDOT's Policy Guidance; and

WHEREAS; the Federal Transit Administration (FTA) issued Circular FTA 4702.1B, Title VI Requirements and Guidelines for FTA Recipients, on October 12, 2012 providing further guidance and instructions necessary to carry the USDOT Title VI policies; and

WHEREAS; it is the policy of the Killeen-Temple MPO to afford equal opportunity to all persons to the end that no persons in the United States shall, on the grounds of race, color, sex, disability, age or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity conducted by the Killeen-Temple MPO, whether or not federally funded; and

WHEREAS; the Killeen-Temple MPO, furthermore, intends to ensure the full and fair participation by all potentially affected communities in the transportation decision-making process; avoid, minimize, or mitigate disproportionately high and adverse human health or environmental effects, including social and economic effects; and

WHEREAS; the Killeen-Temple MPO desires to adopt the Central Texas Council of Government's Title VI Plan as the Title VI Plan for the MPO region, developed through interagency coordination in conformance with applicable federal and state requirements; and

NOW, THEREFORE, BE IT RESOLVED that the Killeen-Temple MPO hereby approves the Central Texas Council of Government's Title VI Plan as the Title VI Plan for the MPO region.

PASSED AND ADOPTED on this 18th day of September 2024 at a regular meeting of the Killeen-Temple Metropolitan Planning Organization Transportation Planning Policy Board meeting which was held in compliance with the Open Meetings Act, Texas Government Code, 551.001, *et seq.*, and at which meeting a quorum was present and voting.

**Resolution 2024-08 proclaiming October
2024 as Pedestrian Safety Month**

Resolution 2024-08 proclaiming October 2024 as Pedestrian Safety Month

Background

October 2024 has been declared National Pedestrian Safety Month by the National Highway Traffic Safety Administration, emphasizing the importance of protecting pedestrians on our roads. In addition, October is recognized as International Walk to School Month, with key events such as Walk to School Day on October 2, 2024, and Walk & Roll to School Day on October 9, 2024, promoting safe, healthy, and environmentally friendly transportation for students.

Active transportation—such as walking and biking—not only promotes health and sustainable forms of transportation but also depends on responsible behavior from all road users and requires improved infrastructure to ensure safety. The resolution highlights the critical need for safe infrastructure, including sidewalks, bike networks, crosswalks, pedestrian signals, and traffic-calming measures to protect pedestrians and cyclists.

Included in the meeting packet is Resolution 2024-08, which proclaims October 2024 as Pedestrian Safety Month in the KTMPO region. This resolution will be presented to the KTMPO Transportation Planning Policy Board at their September meeting. KTMPO encourages all regional cities to support and promote these efforts, while urging all road users to actively contribute to a safer environment for pedestrians and cyclists.

Action Needed: Consider recommending approval of Resolution 2024-08 proclaiming October 2024 as Pedestrian Safety Month.

RESOLUTION NO. 2024-08

A RESOLUTION OF THE KILLEEN-TEMPLE METROPOLITAN PLANNING ORGANIZATION DECLARING OCTOBER 2024 AS NATIONAL PEDESTRIAN SAFETY MONTH

- WHEREAS;** the National Highway Traffic Safety Administration (NHTSA) has declared October 2024 as National Pedestrian Safety Month; and
- WHEREAS;** October 2024 is also recognized as International Walk to School Month, with October 2, 2024, designated as Walk to School Day, and October 9, 2024, designated as Walk & Roll to School Day; and
- WHEREAS;** these designations emphasize the critical importance of protecting our most vulnerable road users and encouraging safe, healthy, and environmentally friendly forms of active transportation; and
- WHEREAS;** between 2018-2022 in the KTMPO region fatal and serious injury crashes involving pedestrians have doubled with 51 total fatal crashes and 80 total serious injury crashes over that five year period; and
- WHEREAS;** National Pedestrian Safety Month and International Walk to School Month highlight the need for safer road users, speeds, and vehicles, more effective post-crash care, and improved infrastructure to reduce injuries and fatalities among pedestrians; and
- WHEREAS;** the availability of safe, accessible, and well-maintained pedestrian infrastructure, including sidewalks, crosswalks, pedestrian signals, and traffic calming measures, is essential for reducing crashes involving pedestrians and promoting more active transportation in our communities; and
- WHEREAS;** pedestrian safety is a shared responsibility that requires the commitment of all road users and policymakers to ensure our streets are safe for everyone; and
- NOW, THEREFORE, BE IT RESOLVED** that the Killeen-Temple Metropolitan Planning Organization hereby declares October 2024 as National Pedestrian Safety Month in the KTMPO region.

BE IT FURTHER RESOLVED that the Killeen-Temple Metropolitan Planning Organization supports efforts to improve pedestrian infrastructure and encourages all road users to be vigilant, obey traffic laws, and actively work to create a safer environment for pedestrians.

PASSED AND ADOPTED on this 18th day of September 2024 at a regular meeting of the Killeen-Temple Metropolitan Planning Organization Transportation Planning Policy Board, which meeting was held in compliance with the Open Meetings Act, Texas Government Code, 511.001, *et seq.*, at which meeting a quorum was present and voting.

**Updated September 2024 SS4A Project
Listing**

SS4A Project Listing

Background

CTCOG and KTMPO have been jointly developing the Central Texas Roadway Safety Action Plan with a planning grant from the USDOT Safe Streets and Roads for All (SS4A) program. The Central Texas Roadway Safety Action Plan will identify and prioritize safety-focused projects and policy recommendations that are intended to reduce fatalities and serious injuries on Central Texas roadways. Kimley Horn is assisting in plan development, project identification, and selection. Plan development began in September 2023 and has included extensive safety data analysis, stakeholder outreach, and public engagement so far. From this initial input, Kimley Horn, CTCOG, and KTMPO have identified approximately 109 safety project opportunities across the region, as well as numerous policy-focused opportunities.

Project Selection

As part of plan development, CTCOG and KTMPO will assist member agencies in identifying high-impact projects and supporting preliminary project development so that agencies can submit these project opportunities for potential grant funding. Based upon several rounds of data review and agency feedback, Kimley Horn, CTCOG, and KTMPO identified project opportunities and prepared recommendations for high-impact projects that align with stakeholder feedback and would be expected to score well for SS4A Implementation grants, TxDOT Highway Safety Improvement Program (HSIP) Off-System grants, or other similar state and federal funding programs.

Projects identified for the SS4A Implementation track were selected because they each would include FHWA-approved safety countermeasures, are located along corridors with a high fatal and serious injury crash rate and are also located in underrepresented communities as defined by USDOT. Projects identified for the HSIP Off-System track were selected because they each would include TxDOT-approved safety countermeasures, are located along off-system corridors with multiple fatal or injury crashes over the analysis period (2018-2022) and are expected to address crash types that TxDOT has prioritized for the region, including roadway departure, intersection, and pedestrian crashes. Projects identified for other grant programs were selected based on tying individual stakeholder needs to other relevant grant opportunities so that all stakeholders who have met with CTCOG and KTMPO throughout the plan development process so far would have an opportunity to receive continued project development support.

Included in the meeting materials is the CTCOG SS4A Project Matrix for September 2024. The project matrix summarizes relevant data about all 109 identified projects and the reasons for their selection for various projects and grant application development pathways.

Action Needed: Consider recommending approval of the updated September 2024 SS4A Project Listing.

Item #8

FY25-28 TIP and 2050 MTP Amendment

**FY25-28 Transportation Improvement Plan (TIP) and
2050 Metropolitan Transportation Plan (MTP) projects**

TIP Background

The Transportation Improvement Program (TIP) is a 4-year transportation planning document that includes a detailed listing of projects reasonably expected to begin within a four-year period. The current TIP covers FY25-FY28. Projects included in the TIP must be consistent with the MTP and are chosen based on regional priority and available funding. An amendment to a TIP is not completed until the change has also been included in the STIP—Statewide Transportation Improvement Program.

MTP Background

The Metropolitan Transportation Plan (MTP) is the 25-year long range planning document for KTMPO. The 2050 MTP includes a short and long-range prioritized project listing incorporating projects expected to be funded within the document’s 25-year planning horizon. The project listing is fiscally constrained based on the projected funding the MPO expects to receive in the 25-year planning period. The document also lists regionally significant unfunded projects. Projects must be included in the funded section of the MTP in order to receive state or federal funding.

Amendments to the FY25-28 TIP and 2050 MTP

MPO ID	Project Name	Proposed Amendment
B40-07a	Connell Street Reconstruction Phase 1	Add New TIP Project
B40-08	Sparta Road SUP	Add New TIP Project
C50-01	Ashley Drive Connection	Add New TIP Project
D50-02	Front Ave Downtown Collector	Add New TIP Project

H50-04a	FM 3423 (Indian Trail Drive) Sidewalk Phase 1	Add New TIP Project
N40-06	Nolanville Railroad Crossing Safety	Add New TIP Project
N40-11	Nolan Creek Off System Trail	Add New TIP Project
T40-13b	Georgetown Railroad Trail Phase 2	Add New TIP Project
T50-07	Cedar Road Safety Crossing	Add New TIP Project
W40-04b	Loop 121 Phase 2	Add New TIP Project
B45-13	E Central Ave Bridge	Revised Funding Amounts
K30-13a	Chaparral Road Phase 1a	Updated Project Limits and Let Date & Revised Funding Amounts
W35-01 (2)	US 190 Bypass	Revised Funding Amounts

Additional Notes

On May 15, 2024, Policy Board approved the 2023 Project Call Funding Scenario 7, which included five projects to be funded by CAT 2: Metropolitan and Urban Corridor Projects; four of which are listed below:

- C50-04d - BUS 190 Phase 4
- C45-01 - Fort Cavazos Access Ramps
- H40-03c - FM 3481 @ Chaparral Road
- T35-36a - Veterans Memorial Blvd Enhancements

These four projects cannot be incorporated into the TIP or amended within this quarterly amendment. The listed projects were not included in the FY2025 Unified Transportation Program (UTP). Once these projects are incorporated into the UTP, they will be eligible for inclusion or amendments within the TIP.

Plan Adoption Schedule

- September 11, 2024 – TAC reviews proposed amendments to the FY25-28 TIP and 2050 MTP Project Listing.
- September 18, 2024 – TPPB reviews proposed amendments to the FY25-28 TIP and 2050 MTP Project Listing.
- September 23, 2024 – October 7, 2024: Public Comment Period.
- Public Meeting #1: Date/Location TBD
- Public Meeting #2: Date/Location TBD
- Public Meeting #3: Date/Location TBD
- October 2, 2024 – TAC considers recommending approval of the FY25-28 TIP and 2050 MTP Project Listing.
- October 16, 2024 – TPPB considers approving the FY25-28 TIP and 2050 MTP Project Listing.

Action Needed: No action needed; for discussion only.

FY2025 UTP Funding Update

FY2025 Unified Transportation Program Funding (UTP)

Background

The UTP is the Texas Department of Transportation's (TxDOT's) 10-year plan that guides the development of transportation projects across the state. Organized into 12 funding categories, with each one addressing a specific type of work, the UTP authorizes the distribution of construction dollars expected to be available over the next 10 years.

KTMPO receives funding through several different TxDOT Funding Categories and utilizes these estimates to develop possible funding scenarios.

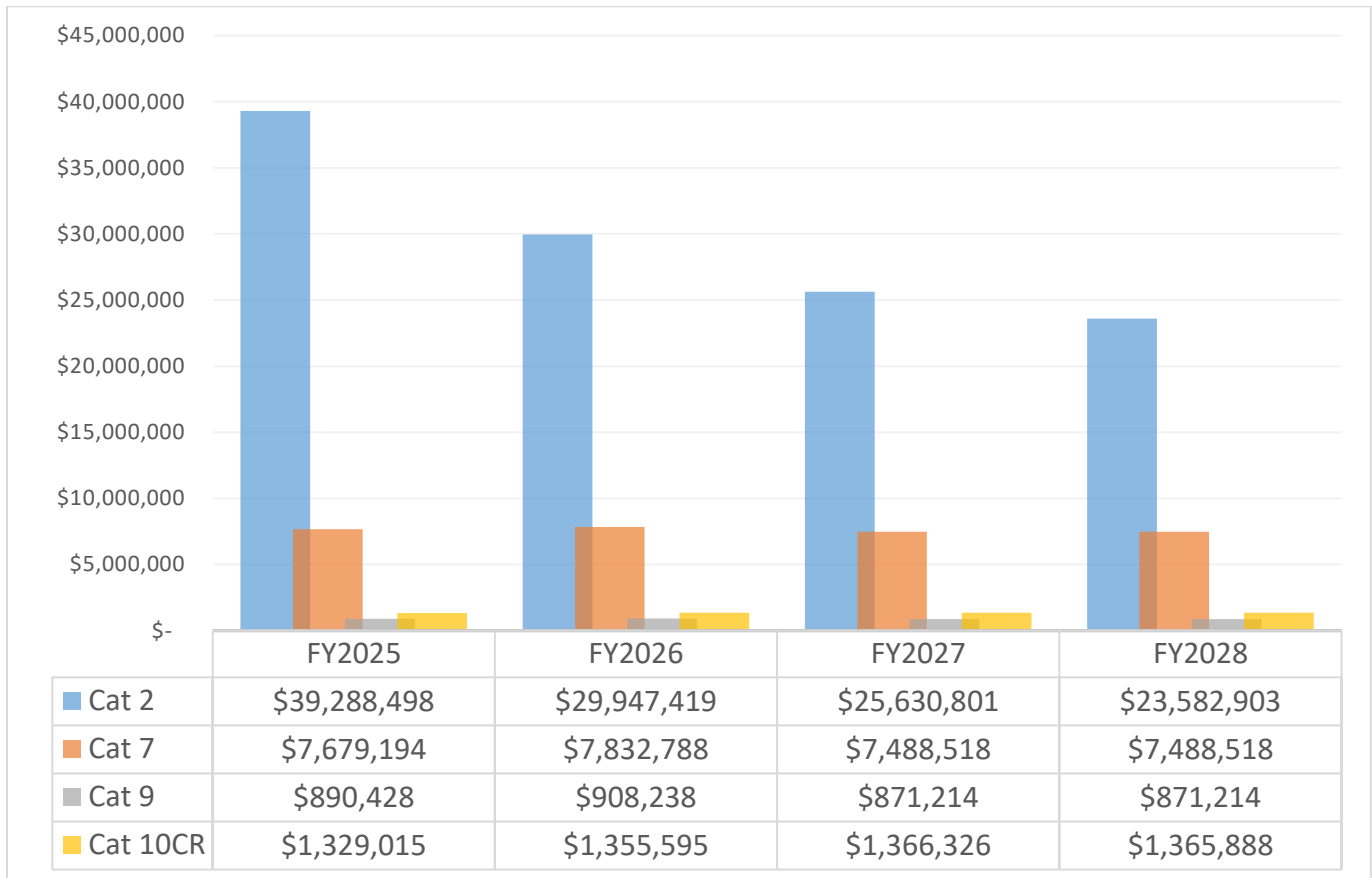

Funding Sources:

- CAT 2: Metropolitan and Urban Corridor Projects
- CAT 7: Metropolitan Mobility & Rehabilitation
- CAT 9: Transportation Alternatives Program
- CAT 10CR: Carbon Reduction

Below is a KTMPO Historical Funding Overview from FY2020 to FY2024:

Below are the KTMPO projected planning allocations from the FY2025 for FY2025 to FY2028, along with the funding distribution for KTMPO projects during this period:

Public Comment

Public Comment

KTMP has been collecting public comments received online, via emails, public hearings, meetings, social media accounts, web maps and other forms of communication. Staff bring these to the TAC and TPPB on a regular basis to ensure the MPO boards are aware of public concerns and have the opportunity to respond accordingly. Public input received through the previous month is included in meeting packet.

7/24/2024	Paper	I was wondering when all the noise in the vehicles outside was going to stop? Worried about the safety of our citizens. They were band from the county. There is a difference, by the way, I don't own a car. This has gone on for the past two years.	General	Other
8/15/2024	Facebook Thread Dialogue	1. Why has Chaparral been pushed back another four years? It's a county road that had funds pledged to it by Killeen, HH and the county I believe. There was an infrastructure bill with trillions in it. Didn't anyone think that could be a source of funding? Five more years of a dangerous road with 3750 houses going in on the south side and now two schools on it. This is very, very, very poor. 2. Killeen-Temple Metropolitan Planning Organization Thank you for your reply. Commissioner Whitson said today that Killeen is the hold up. He said it in response to a Killeen Daily Herald	Safety	City of Killeen Bell County

		Opinion piece. Any truth to that? It all looks to me like government incompetence that's now gonna go on for almost 20 years. 3. You say the 10 and 16 million dollars can only be used for construction. Is there not an exception to policy based on danger to the public? Featherline and Chaparral has had 16 accidents in the last year. Doesn't that factor into decision making and allocation of resources? Has anyone presented a case to the decision or policy makers for an exception? It would be an outright crime for people to have to die (as they did at the intersection of Chaparral and SH195 at least three that I can remember) just because of some policy that can be overridden simply by presenting facts.
