Meeting Minutes:

- 1. Call to Order:** Commissioner Bobby Whitson called the meeting to order at 9:32 am.
- 2. Opportunity for Public Comment:** No comments were made by the public.
- 3. Action Item:** Regarding approval of minutes from the April 16, 2025, meeting.

Riakos Adams made a motion to approve the April 16, 2025, meeting minutes, seconded by Michael Blomquist; the motion passed unanimously.

4. **Discussion and Action Item:** Regarding the nomination and election of TPPB Vice-Chair for the remainder of FY2025.

Commissioner Bobby Whitson informed the TPPB that as a result of Councilmember Susan Long's departure from the TPPB, he would, as Vice-Chair, fill the role of Chair. Because of Commissioner Whitson's elevation to the role of Chair, a vacancy opened in the Vice Chair position, requiring it to be filled for the remainder of FY2025. Riakos Adams nominated himself for the position.

Councilmember Riakos Adams made a motion to nominate himself to serve as TPPB Vice-Chair for the remainder of FY2025, seconded by Darrell Burtner; the motion passed unanimously.

5. **Discussion and Action Item:** Regarding approval of Active Transportation Advisory Committee membership.

Anita Janke informed the TPPB about Lauren Morrell's request to join the ATAC as a representative of Youth Interest. She provided Ms. Morell's qualifications as a dedicated cyclist who is actively engaged with Belton New Tech High School.

Councilmember Riakos Adams made a motion to approve Lauren Morrell's ATAC committee membership, seconded by Councilmember Dale Treadway; the motion passed unanimously.

6. **Discussion and Action Item:** Regarding approval of ratification for MPO Director's requested response to Senator Cruz's office for 2025 Reauthorization Bill.

Uryan Nelson informed the TPPB that he had been told by Senator Cruz's office that they needed recommendations from KTMPD regarding the 2025 Reauthorization Bill. Because of the short timeline given, he spoke with Commissioner Whitson about sending Senator Cruz's office these recommendations prior to the May TPPB meeting. Commissioner Whitson explained to the committee that he did not wish to overstep the authority of the committee, but he believed that the circumstances required immediate approval.

Mayor Tim Davis made a motion to approve the ratification for MPO Director's requested response to Senator Cruz's office, seconded by Riakos Adams; the motion passed unanimously.

7. **Discussion and Action Item:** Regarding approval of Resolution 2025-09 recognizing June 7, 2025, as National Trails Day.

Anita Janke explained that ATAC prepared a schedule of events for National Trails Days and wished to have the resolution to support these activities.

Councilmember Joseph Solomon made a motion to approve Resolution 2025-09 recognizing June 7, 2025, as National Trails Day, seconded by Councilmember Dale Treadway; the motion passed unanimously.

8. **Discussion and Action Item:** Regarding approval of Resolution 2025-10 authorizing KTMPO to submit an application for the 2025 SS4A Planning and Demonstration Grant.

Uryan Nelson explained this agenda item would allow the KTMPO to apply for additional funding under the SS4A grant. Mr. Nelson said that he had heard there was interest in near-miss technology and analysis from the committee, and that funding from the grant would likely go there. Councilmember Riakos Adams asked if updating traffic lights to a cloud-based system rather than direct, wired connection would be allowable under the grant, to which Mr. Nelson said it would be.

Darrell Burtner asked if the near-miss technology would require new equipment. Mr. Nelson said that it would require new cameras, which would have to be procured through an RFP. Jason Deckman said that the near-miss technology would gather specific data to reinforce analysis on crash zones within the region.

Mayor Michael Blomquist made a motion to approve Resolution 2025-10 authorizing KTMPO to submit an application for the 2025 SS4A Planning and Demonstration grant, seconded by Darrell Burtner; the motion passed unanimously.

9. **Discussion and Action Item:** Regarding Speed Sign Loaner Program.

Uryan Nelson updated the TPPB on the Speed Sign Loaner Program. Multiple portable speed signs were purchased by the KTMPO, with the intent of loaning them to any city or county within the planning area for the purpose of gathering data. A draft ILA and instruction manual were included in the meeting packet for review. Mr. Nelson

Councilmember Riakos Adams made a motion to approve the Speed Sign Loaner Program Interlocal Agreement and authorization of MPO Director to execute Interlocal Agreements (and revise as necessary), seconded by Councilmember Dale Treadway; the motion passed unanimously.

10. Discussion Item: Regarding an update on the Safe Streets and Roads for All Grant.

Uryan Nelson provided an update on the SS4A grant. KTMPO has completed all required activities and is beginning the close-out process. Mr. Nelson addressed the in-kind documentation and signatures needed for the grant and expressed great importance on the returning the DocuSign documents to staff so the in-kind can be documented.

11. Discussion Item: Regarding TIP Amendment schedule for CY2025 and amendments to the FY25-28 Transportation Improvement Plan (TIP) and 2050 Metropolitan Transportation Plan (MTP).

Callie Tullos provided an update on the TIP and MTP Amendments that were presented to TAC, TPPB, and the public. She informed the TPPB that amendments had already been submitted. Ms. Tullos also gave an amendment schedule for CY25.

12. Discussion Item: Regarding the Draft TxDOT-KTMPO-CTCOG Planning Agreement.

Uryan Nelson provided an update to the Planning Agreement between TxDOT, KTMPO, and CTCOG. TxDOT is still in the process of deciding what changes to the agreement need to be made.

13. Discussion Item: Regarding the Draft 2026-2027 UPWP sent to FHWA.

Uryan Nelson provided an update on the Draft 2026-2027 UPWP, informing the TAC that it was approved for submission and is currently under review by FHWA.

14. Discussion Item: Regarding KTMPO's Regional Active Transportation Update.

Anita Janke updated the TPPB on the Regional Active Transportation Plan, designed to encourage opportunities to connect the region's multimodal transportation networks. Ms. Janke provided a calendar for the Regional Transportation Plan's development and approval process.

15. Discussion Item: Regarding public input received through April 2025.

Anita Janke provided a summary of public comments made through April 2025.

16. Director's Update:

Uryan Nelson provided an update on the schedule for the upcoming KTMPO meetings. Mr. Nelson shared the maximum ozone air quality readings for April, which were 67 parts per billion (ppb) at the Temple station and 71 ppb at the Killeen station.

Mr. Nelson informed the TPPB of the prior month's MPO Director meeting, where they were notified that 50% of US DoT's Texas staff had been cut. Mr. Nelson also informed the committee about the 2025 AMPO conference, to be held in Rhode Island, and invited interested members to attend.

CRTAG was recommended for funding of \$120,000 for its regional planning activities as well as an additional \$40,000 for continuation funding. CTCOG was awarded \$300,000 in grant funding from the Texas Veteran's Commission in 2024, but grant funding was not renewed for 2025.

17. Member Comments:

Councilmember Riakos Adams informed the TPPB of the City of Killeen's letter writing campaign to Senator Cruz to advocate for the consideration of towns and cities in the federal legislative agenda. He notified TPPB members living in Killeen that they might receive an email from the City of Killen about this.

18. Adjourn: The meeting was adjourned at 10:20 am.

These meeting minutes were approved by the TPPB members at their meeting on

Agenda Item # 4

Draft FY2026-2027 Unified Planning Work Program (UPWP)

Background

The Unified Planning Work Program (UPWP) provides descriptive and scheduling details for the Killeen-Temple Metropolitan Planning Organization (KTMPo) planning process for a two-year period. The UPWP serves as a base document for carrying on the continuing, cooperative, and comprehensive transportation planning process in the Killeen-Temple urbanized area. This work plan identifies tasks and subtasks that KTMPo staff plan to undertake during the plan period and the associated budget for these tasks.

2026-2027 UPWP Timeline

February-March:	April - May:	April - July:	August - October:	Oct 1:
MPOs Draft UPWP	MPOs Submit Draft UPWP May 1: MPOs MUST submit initial draft to TPP	MPOs & TPP Collaborate on Final UPWP Jul 15: MPOs MUST submit final UPWP (with policy board approval).	FHWA/FTA Review & Approval Aug 1: TPP submits all UPWPs to FHWA. Aug - Sept: FHWA may request revisions.	Start date for approved FY 2026 UPWPs.

Staff are in the process of updating this plan for FY2026-2027. A draft version of the UPWP is included in the meeting materials and was sent to the Federal Highway Administration (FHWA) for review.

Action Needed: Approval of the FY2026-2027 UPWP.

Item #5

TxDOT-KTMPO-CTCOG Planning Agreement

June 18, 2025

Transportation Planning Policy Board

Agenda Item # 5

TxDOT-KTMPO-CTCOG Planning Agreement

Background

The Planning Agreement agreement between Texas Department of Transportation (TxDOT), KTMPO, and Central Texas Council of Governments (CTCOG) outlines the cooperative planning and programming process between the agencies. This agreement ensures that transportation projects are developed in a coordinated manner, considering regional needs and federal requirements, and outlines how federal planning funds are distributed.

TxDOT is extending the current 2018 Planning Agreement through September 2026, while they continue internal review of the new draft. A revised agreement is now expected by late 2025. The update from TxDOT is included in the meeting packet.

Action Needed: No action needed; for discussion only.

Subject: RE: TxDOT-MPO-FA Planning Agreement

BCC: TxDOT District Planning & Development; TPP Budget and Federal Programs

Good afternoon,

We are re-evaluating the draft TxDOT-MPO-FA Planning Agreement based on discussions from the May 16th Office Hour and with internal colleagues. The additional review will add time but will ensure we are putting together a document with the right terms. In the coming 2 weeks, TPP will be issuing an extension to the current (2018) agreement pursuant to Article 1 Section B, which will extend it through September 2026. A new estimate for finalizing the new agreement is late CY 2025. Once in place, it will supersede the current agreement.

We'll re-engage the MPOs when the next draft of the agreement is ready.

Thank you,

Item #7

TIP/MTP Programmed Funding and Project Readiness

June 18, 2025

Transportation Planning Policy Board**Agenda Item # 7**

TIP/MTP Programmed Funding and Project Readiness**Background**

Over the past year TxDOT has been meeting with MPOs across the state to review funding program carryover levels and coordinate strategies aimed at maintaining a healthy pipeline of projects. Discussions have primarily centered around the use of CMAQ (Category 5) and STP-MM (Category 7) funds. TxDOT has strongly encouraged all MPOs to continue utilizing available funding as quickly as possible.

Additionally, in October 2024, TxDOT instituted a legislative rule change which allows for unspent carryover funds (in Category 5 & 7) above 200% of the yearly allocation amount to be transferred from the MPO to TxDOT Districts. The rationale behind this is to incentivize the use of those funds and to ensure that all funds received from the federal government stay inside the state.

As of December 2024, TxDOT's programmed funding report showed that KTMPO had a 314% carryover for FY25 which would make \$8.14M subject to the legislative rule. Most recently, as of May 2025, TxDOT's programmed funding report showed that KTMPO had 282% carryover for FY25, which would make \$6.32M subject to the legislative rule.

Although we are exceeding the 200% set by the commission for FY25 this does not take into account future projects programmed in years FY26-28. Within the current TIP window (FY25-28), the majority of expected funding is programmed.

Action Needed: No action needed; for discussion only.

Item #8

**FY25-28 TIP and 2050 MTP Public
Comment Period for the August STIP
Revision**

June 18, 2025

Transportation Planning Policy Board

Agenda Item # 8

Public Comment Period for Amendments to the FY25-28 TIP and 2050 MTP for the August STIP Revision

Background

The Transportation Improvement Program (TIP) is a 4-year transportation planning document that includes a detailed listing of projects reasonably expected to begin within a four-year period. The current TIP covers FY25-FY28. Projects included in the TIP must be consistent with the MTP and are chosen based on regional priority and available funding. An amendment to a TIP is not completed until the change has also been included in the STIP—Statewide Transportation Improvement Program.

The Metropolitan Transportation Plan (MTP) is the 25-year long range planning document for KTMPO. The 2050 MTP includes a short and long-range prioritized project listing incorporating projects expected to be funded within the document’s 25-year planning horizon. The project listing is fiscally constrained based on the projected funding the MPO expects to receive in the 25-year planning period. The document also lists regionally significant unfunded projects. Projects must be included in the funded section of the MTP in order to receive state or federal funding.

The following projects will undergo formal amendments:

- B40-08, CSJ: 0909-36-205, Project Name: Sparta Road SUP
 - Revise project description
- K45-03, CSJ: 0909-36-185, Project Name: W Rancier Ave
 - Revise project description, revise project limits
- HCTD Transit Projects
 - Delete a project, add a project, and revise a project’s cost

The following projects will undergo administrative amendments:

- H40-03c, CSJ: 3409-01-011, Project Name: FM 3481 @ Chaparral Road (Phase 3A)
 - Update the project description in the MTP listing only
- T35-36a, CSJ: 0320-01-074, Project Name: Veterans Memorial Blvd Enhancements, Phase 1
 - Update the description in the MTP listing only to match the updated TIP project

The following projects *may* undergo formal amendments:

- W35-01, CSJ: 0231-19-003, Project Name: US 190 Bypass (Part 2)*
 - Revise project description

Item #9

KTMPO Regional Active Transportation Plan Update

June 18, 2025

Transportation Planning Policy Board**Agenda Item # 9**

KTMPO Regional Active Transportation Plan Update**Background**

KTMPO adopted the Regional Multimodal Plan (RMP) on September 20, 2018. The plan explored ways to adapt to evolving transportation modes by shifting the focus to a broader approach that included biking, walking, and public transit.

In 2020, The Texas Department of Transportation (TxDOT) began the Texas Active Transportation Plan Inventory. In the Fall of 2023, TxDOT conducted a combined outreach effort for the Statewide Active Transportation Plan and the Statewide Multimodal Transit Plan. The Existing State of Active Transportation Report was made available in February 2025.

During the September 11, 2024, BPAC meeting, KTMPO staff recommended developing a Regional Active Transportation Plan that identifies opportunities for multi-jurisdictional trail connections and to promote innovative strategies that support walking, cycling, and other forms of active transportation. The plan will focus on integrating safe routes to school, sidewalks, bike paths, transit stops, parks, and shared-use paths across the region.

Objective

- Develop a comprehensive GIS-based inventory to support the creation of a Regional Active Transportation Plan, prioritizing safety, sidewalk infrastructure around schools, and neighborhood connectivity. The inventory will identify existing infrastructure, gaps, and opportunities for walking, biking, and rolling (micromobility), with a focus on creating safe, accessible, and convenient routes for children and families.
- The Regional Active Transportation Plan will support healthier lifestyles, reduce traffic congestion near schools, and foster stronger, more connected communities.
- Utilize public engagement, TAC/PB and ATAC to prioritize desired connectivity in the development of the regional Active Transportation Plan.
- The plan demonstrates planning readiness, improves grant competitiveness, will help prioritize projects and encourages multimodal integration.

Agenda Item # 10

SS4A Grant Update

Background

CTCOG & KTMPO’s [SS4A Central Texas Roadway Safety Action Plan](#) was completed in March 2025.

In-Kind Match Update

SS4A In-Kind/Invoice Tracker				
July 2023 - May 2025				
Total Spent	In-Kind Match (20%)	In-Kind Received (logged)	In-kind dollars with signed forms	In-Kind Hours Received
\$984,100.21	\$196,820.04	\$274,733.87	\$56,011.27	1746.62

TPPB approved submittal of the Planning and Demonstration Grant Application at their meeting on May 21, 2025. CTCOG Executive Committee also approved submittal of the Grant Application at their meeting on May 22, 2025. Staff and members from Kimley-Horn’s Consulting team are working together to complete and submit the Planning and Demonstration Grant Application to USDOT by June 26, 2025.

The Safety Taskforce held their first meeting on June 4, 2025 at 10:30am to discuss ways to implement projects, policies, and initiatives to champion road safety in Central Texas.

Action Needed: No action needed; for discussion only.

Item #11

**Public Comments through Previous
Month**

June 18, 2025

Transportation Planning Policy Board**Agenda Item # 11**

Public Input Received through the Previous Month

KTMPo has been collecting public comments received online, via emails, public meetings, workshops, community activities, social media platforms, web maps and other forms of communication. Staff bring these to the TAC and TPPB on a regular basis to ensure the MPO boards are aware of public concerns and have the opportunity to respond accordingly. Public input received through the previous month is included in the meeting packet.

Action Needed: No action needed; for discussion only.

Public Comments 2025						
Date Received	Source	Topic	Jurisdiction	Comment	KTMPO Response	Name
5/21/2025	Email	Safety	Multi	Please put in a traffic light here. With the way they continue to let people build complete neighborhoods and don't widen the road baffles my mind, but to not put in a light at an intersection when this road has quadrupled at least the numbers of cars on it and is used as a cut through when I 35 is backed up, which is every day, is crazy. Almost daily at rush-hour Hartrick Bluff trying to get onto 93 there could be anywhere from 30 to 50 plus cars deep just waiting. Enough is enough. Or maybe widen and put in turn lanes. It will only get worse once the construction on I 35 and I 14 starts. 381-949 W FM 93, Temple, Texas, 76502	City of Temple's Response: We have a capital project that is scheduled to go out for bids in July 2025 that will install a traffic signal at the intersection of FM 93 & Hartrick Bluff Road and will widen the road north of FM 93. This project will implement some of the improvements the resident mentioned. Also, in response to the new residential development, we have a project in the planning phase to widen Hartrick Bluff south of FM 93. TxDOT Waco District: There is currently no project identified in the 2050 MTP for FM 93. TxDOT responded to the citizen. All appropriate jurisdictions were included on the email communication.	This comment was not received directly by the MPO. It was forwarded by the TxDOT Waco District.
4/16/2025	Email	Safety	Multi	I do have a constituent from Killeen who has been complaining about the speed limit on Hwy 195 at Chaparral. The constituent says that it's too fast. He also complained about how irresponsible drivers are through there. I attempted to explain that there are plans already in the works for the intersection.	Staff researched both the 2050 MTP Project Listing and the Safe Streets and Roads for All (SS4A) Safety Action Plan. Staff informed the Central Texas District Liaison that high vehicle speeds were identified as a concern in the SS4A Plan and provided links to download the full project matrix. All appropriate jurisdictions were included on the email.	Chip Howell
