BRIDGE REPLACEMENT — SH 95 — BELL COUNTY

TxDOT's Waco District serves McLennan, Bell, Falls, Limestone, Hill, Coryell, Bosque, and Hamilton counties

May 10, 2024

WACO — TxDOT Waco District continues their project on SH 95 that will replace the bridges and approaches at Willow Creek, Runnels Creek, Cathey Creek, and Darrs Creek. Next Monday, May 13, crews will begin work around Darrs Creek that will require closing the northbound lane of SH 95 from Fannin Street to FM 2268 through next year.

Traffic will be shifted into a one-lane two-way condition within the closure limits.

Motorists should expect delays in the area and watch for road crews and traffic control measures, such as flagging operations and pilot vehicles.

TxDOT encourages motorists to slow down, eliminate distractions, and buckle up driving through work zones.
