Nighttime Closures — US 190 — Coryell County

TxDOT Waco District serves McLennan, Bell, Hill, Falls, Bosque, Hamilton, Limestone, and Coryell Counties

Oct. 27, 2026

WACO – Beginning Monday night, November 2, the Texas Department of Transportation (TxDOT) and its contractor will implement overnight closures on US 190 to set beams for the new Valley Bridge.

Beginning at 7 p.m. each night, the westbound ramp from I-14/US 190 Business to US 190 will be closed. Westbound traffic will be detoured through Copperas Cove via US 190 Business and directed back to US 190 at the FM 2657 intersection.

Eastbound US 190 traffic will be diverted off the freeway at the FM 3046 exit. These closures will occur nightly from 7 p.m. to 7 a.m., beginning Monday night and continuing through Thursday morning.

The closures are necessary as part of TxDOT's project to widen US 190 from Clarke Road to the Lampasas County line into a four-lane divided highway.
